JUNE Program Topic:

Field Day and summer programs.

Please bring in any laptops if you plan on doing any logging at Field Day.

In the Club Shack during a Skywarn activation with Gary Peram KBØLXE, Ruth Claseman KDØUPR, Melanie Olson KØMAO, Benton Jackson KEØKNN. We are receiving instructions from Roy Wood WØREW. Roy Wood is our Skywarn contact to the Skywarn Board. He handles all the communications between Skywarn and our club. Lots of time has been spent by Roy recently in this capacity. Roy would like to thank especially Melanie, Gary and Benton, who are new members to our club, for stepping in and getting involved with our club’s Skywarn.

This is our clubs new setup for Skywarn activations. Jim Claseman KDORFH was the acting Supervisor of the Day.

MEMBER NEWS:

Contest QSL Club Card

The board has approved Pete Winters' suggestion to design a club QSL card. Please submit a design to Pete Winters NØRUG by Monday July 31st for Board approval. The Club members will vote on the approved designs at the August meeting.

SUMMER VOLUNTEER OPPORTUNITY

By: Phil Peterson KCØOID

Maple Grove Days (July 12-16, 2017) will soon be here. Part of this week long summer event is The Jim Deane Memorial Rice Lake Classic Run. Re-named this year to honor the former teacher,

coach, mayor and Director of the Three Rivers Park District, this event is in its 21st year. The Maple Grove Radio Club is proud to provide radio communication support for this event. On the morning of Saturday, July 15, 2017, MGRC will need about 12 volunteers (or more). The volunteer radio operators will position themselves along the 3.7 mile Rice Lake course, to relay information through our net control operator and provide event staff with timely communication as the runners traverse the circumference of Rice Lake in Maple Grove. The race involves about 350 runners. The race starts at 8:00am. MGRC volunteers are on site at 7:00am and our duties are completed by 10:30-11:00am. Bicycles work well to get in position around the course and to check the course out before the event. This is a fun and brisk paced volunteer opportunity and provides real life training in radio operation and tactical deployment. More info will be available at the June 6th MGRC meeting. The contact is Phil Peterson KCØOID 612-965-3653 or phipetsn@usfamily.net.
